# Stay Home Screendance Picks

OCTOBER 2ND - OCTOBER 11TH

We put out the call, and the artists responded. During a time of uncertainty, groundlessness, and fear these 24 artists did what they do best: create! Each of the dance films were created while sheltering in place during the Spring and Summer of 2020 Covid-19 pandemic. With access to crew, location, and equipment greatly limited, often these artists are some combination of Director, Choreographer, Dancer, Cinematographer, and Editor all at once. All films are under 5 minutes and vary greatly in tone and approach.

Stay Home Screendance films are free to view for the entire duration of the festival (October 2nd – 11th). Join us in voting for your favorite! The top rated film will get \$200.
