Dear Deny Tri,

We are happy to announce you that **your film Being a Prosecutor has been selected in our Spring Dancefilm Festival!**

You can have [HERE](#) your laurel as an **Official Selection for the festival** (password: *getthelaurel*).

To make the screening possible, please send us the **following files AS SOON AS POSSIBLE:**

- > A **screening copy** of your film in HD (720) or FullHD (1080), better if it's H.264 and no bigger than 2Gb if possible.
- > Spanish **subtitles** (if not available, in English or French)* in a separated file if applies.
- > A **poster** and a **still** of the film.
- > And [this authorisation](#) filled

This year we are trying to experiment a bit and we have new collaborations that make this festival possible:

- * Some of the screenings will be different, adapted to the space where we normally celebrate the festival: a museum. So, some of your films will be exhibited in loop (Non-Competitive category)
- * Spring Dancefilm Festival will be presented in other town: will be part of the Internation Day of Dance in Sant Cugat and a screening in Vidàlia (Colònia Vidal in Puig-reig)

Here you can see a first version of the program (it may suffer changes): [\[PROGRAM SHEET\]](#)

If you have any doubt, contact me!

Sincerely,
Eva Campos Suárez
Spring Dancefilm Festival director
